

IVAA Live Summit Sponsorship – Vancouver, BC September 12th to 15th, 2017

Does your Business offer services or products to Virtual Assistants?

If so you can gain valuable exposure to your target market, by sponsoring IVAA's Live Summit in Vancouver, British Columbia, CANADA

We are the premier trade association for Virtual Assistants worldwide and host 80 to 100 members from all over the world at our Live Summit.

Why consider being a LIVE Summit Sponsor?

You not only have the opportunity to expose you and your business to Virtual Assistants but your exposure extends to their clients! With the average VA having 10-12 or more clients your reach could be to a market of over 7500 and possibly more.

Virtual Assistants provide their clients with advice on systems and programs. Think how easy sales and referrals would be for your products or services by having a team of users referring and selling for you ... just by having learned direct from you about your products or services and then using them in their daily work with clients.

With our online reach and connections between our social media channels, newsletters and membership, IVAA has an audience and influence of more than 20,000 contacts. We market our conferences heavily, that will include sharing your information too!

We have sample packages listed below but you aren't limited to those only! If you would like to become a sponsor and have an idea of what would gain you the exposure you're looking for, let us know! Reach out to us directly at sponsors@ivaa.org

If you are a current IVAA Preferred Partner, or an IVAA member you receive a 20% discount for any of the packages listed (except the Swag Bag marketing opportunity).
